

## International FRIENDSHIPS

# WELCOME!

We want you to feel at home  
here in our community  
and enjoy true friendship!

Experience caring friendship, fun  
activities, and meaningful interaction as  
IFI extends God's love to all.

Would you like a local friendship  
connection as you make this your new  
home? The IFI Friendship Partner  
Program can pair international students  
and scholars with local families and  
individuals in our community - on your  
smart phone, or in person! Enjoy genuine  
friendship. Practice English conversation.  
Whether joining in person or remotely,  
IFI has something for everyone!
